With crimes on the rise and attacks on women in the news (and those we don't hear about) this is an opportunity to get some training, tips and advice on staying safe. This program is packed with street smart advice presented in a fun, entertaining format. The goal is to instruct—never frighten.

Richard Bloom has been seen on Fox 26News (click on link below), City Under Siege & Good Morning Houston.

Author of “Survival Guide for the Age of Crime” and “Keeping Kids Safe”. Richard does a limited number of safety seminars each year so don't miss out on this action packed motivational and informative program! Feel free to bring your wives, husbands and daughters and clients. The seminar will provide valuable information for everyone.

Come, learn, and have fun!
